

# CANT 2009

## New York Number Theory Seminar Seventh Annual Workshop on Combinatorial and Additive Number Theory

CUNY Graduate Center  
May 26-30, 2009

### Social Events

Participants in CANT 2009 are invited to the following events:

- (1) A math movie (selected from *Hard Problems*, *Fermat's Last Tango*, *Proof*, *A Beautiful Mind*, *Good Will Hunting*, *N is a Number*, *Julia Robinson*) will be shown every day during the lunch break.
- (2) On Tuesday evening, 5:00 - 6:30 p.m., there will be a wine and cheese reception in the fourth floor mathematics lounge.
- (3) On Wednesday evening there will be a conference dinner at 6:30 p.m. at a vegetarian Indian restaurant, Madras Mahal, 104 Lexington Avenue, at 27th Street.
- (4) On Friday evening, 4:30 - 8:00 p.m., we will have an excursion to the Museum of Modern Art, 53rd Street between Fifth and Sixth Avenues, about a 20 minute walk from the Graduate Center.
- (5) There will be an outdoor barbecue and party on Saturday afternoon and evening in Short Hills, New Jersey, a suburban train ride from Penn Station. NJ Transit trains leave Penn Station at  $x:11$  p.m. and arrive in Short Hills, NJ, at  $x:57$  p.m. for  $x = 4, 5, \dots$ . NJ Transit trains leave Short Hills at  $y:49$  p.m. and arrive in Penn Station at  $(y+1):38$  p.m. for  $y = 7, 8, \dots, 11$ .
